

Investing for Success

**Under this agreement for 2018
Abergowrie State School will receive**

\$5,178*

This funding will be used to:

- further develop teacher and teacher aide capacities to assist the Reading/Writing Improvement agenda
- provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.

Our initiatives include:

- developing individualised support plans for every student based on individual student profiles and data to produce feedback and learning goals, in order to improve the quality of their demonstrations of learning against relevant year-level achievement standards
- embedding a consistent whole school approach to the teaching of writing across all KLAs, with a focus on individual teaching and learning strategies for each student
- providing release time for teachers to establish individual support plans.

Our school will improve student outcomes by:

- purchasing teacher release time for establishing individual support plans, data analysis and moderation of student work **\$1000**
- increasing hours for skilled teacher aides working with teachers to deliver specific intervention programs **\$4000**

**Costs provided are approximate.*
