

Investing for Success

**Under this agreement for 2020
Abergowrie State School will receive**

\$5496.00

This funding will be used to

Improve outcomes for students through explicit, personalised teaching of Literacy and Numeracy in the curriculum.

Continue the use of the P-10 Literacy and Numeracy to monitor students' progress in Literacy and Numeracy.

Our initiatives include

- Ongoing professional development for all staff to build teacher capacity to embed literacy and numeracy practices across the curriculum, and build teacher capacity to design and implement differentiated teaching and learning practices.
- Build teaching staff capacity by :
using technology to differentiate and improve learning.
- Providing release time for teachers to continue to align teaching and learning practices within the Australian Curriculum and P-10 Literacy and Numeracy Framework.

Our school will improve student outcomes by

- Increase hours for skilled teacher aides working with teachers to deliver the P-6 Curriculum. \$4000
- Purchase of replacement staff so that teaching staff are able to attend professional development in the areas of Literacy and Numeracy. \$1000
- Provide target professional learning in the use of technology to differentiate and adjust based on students learning levels. \$496.00
